## Description

Come check out this beautifully redone and well maintained ranch style home in the heart of Virginia Beach! Note the flow of the incredible open floor plan as you move from the kitchen to the family room and great room, which can be used as a fourth bedroom! Windows, roof, appliances and HVAC all less than 3 years old. The new 6ft privacy fence and patio were built just in time for the summer! This home is moments away from the Kempsville Rec Center and just minutes to Town Center and the interstate. Call the Listing Agent for a private showing!
